# UK SECURITY EXPO

## THE GLOBAL HIGH-END SECURITY SHOWCASE

UK Security Expo is the place to see latest innovation from SMEs and Primes, to protect our borders, citizens, infrastructure and national security.

A series of high-level conferences, workshops and live demonstrations are available free-to-attend and CPD certified by The Security Institute.

**150+ SPEAKERS AND 200+ SESSIONS!**

THE RT HON.  
LORD WEST  
OF SPITHEAD  
GCB DSC PC

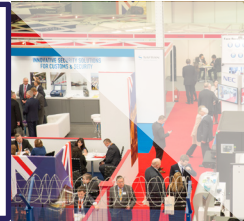

*"The UK is ideally suited to being the global centre of excellence for security given our long history in counter terrorism, joint approach between government and the private sector exemplified by the new National Cyber Security Centre and the reputation our intelligence and security agencies have world-wide. UK Security Expo is the high-end security event that showcases that centre of excellence and I am delighted to see so many major brand names exhibiting."*
